Party Time!

Party Time!

**HiJack. **

Modern AU.

12 Days of HiJack. Day 8, prompt 8, Christmas party.

So, this isn't really a Christmas party. Still a party, just not Christmas really. I dunno...

Enjoy.

"SNOTLOUT! SNOTLOUT! OI! OI! OI!"

CRASH!

Hiccup winced at the crash. He looked around, and saw his cousin get up from the floor. The chair he had been standing on was still knocked over...so was the table he crashed into.

'How did it not break?' He wondered.

Snotlout got up, "H- *hic* Hiccoop..."

"HICCUP."

"Hi Cup..."

'Damn it Snotlout,' Hiccup sighed as his drunk cousin leaned on him.

"It's Frosty's birthday...I nose yous likes him Hiccoop..."

"Hiccup."

Snotlout waved him off.

He walked off, and in his drunk state, bumped into Astrid.

The blond punched him, knocking him out.

Hiccup rolled his eyes and had them meet blue eyes.

Jackson Frost Arendelle. Adoptive brother of Elsa and Anna Arendelle.

Jack, as he preferred, waved to him.

Hiccup walked over, "How ya doing?"

Jack shrugged, "Fine. Wish the others didn't insist on the liquor..."

Hiccup laughed and nodded.

It may be December 21st, but everything about the party seemed to scream Christmas.

From the tree to the decorations.

The colors to the smells.

"Do you wanna leave?" Jack asked out of the blue.

Hiccup looked at him, "I don't mind staying, why?"

"I don't really big parties."

Hiccup nodded and quickly, he and Jack made their way outside.

Jack smiled in relief.

Honestly, he was feeling claustrophobic inside.

He wasn't used to getting such a big deal over his birthday.

Hiccup smiled as well.

He wanted to get away from his drunk cousin.

"Hey," he said handing Jack a package, "happy birthday Snowflake."

Jack blushed at the nickname and opened the gift.

A new pair of ice skates met his eyes.

"I know you love skating, so I figured...we could try it sometime..."

Jack smiled softly and hugged Hiccup, "Thank you."

Hiccup hugged him back.

They stayed like this until...

"HICCOOP AND FROSTY...WANNA PORK! PORK! PORK!"*

Hiccup glared at his cousin as he passed out in the bushes.

"Wanna get back at him?"

He gestured to the passed out male.

Jack smiled, "Sure, but not right now."

Hiccup nodded and wrapped his arms around Jack.

Snotlout and his drunk ass could wait.
